

UFG - Agreement and terms

Terms of UFG – United Freight Global – UnitedFreightGlobal.com.

You understand that we have the right to delete you and your company at anytime, for what so ever reason we may feel like it. We do not promote or TOLERATE DISCRIMINATION!! UFG is built as a trust directory and if at anytime this trust is broken we will remove you. If termination does happen, you will be notified. We only submit companies that are related to the cargo industry. Free Submission's are added in submission order. First come first serve. Please note the average submission time may take up to 2 weeks to 9 months or longer depending on the amount of submissions. Depending on the size of your country some categories may not be added because of smaller countries we may add certain categories together. Please pick the category that best describes your company. We do not add spam, or companies that have nothing to do with trucking. We will not spam your email! You understand we are held liable for spam. But do note that by listing your email address it is easier for spammers to find. By clicking submit below means you agree to our terms. Our Submission Terms are subject to change at anytime.
